

VIETNAM Ba Na Hills Golf Club “World’s Best New Golf Course” 2016

Designed by Luke Donald and managed by IMG, Bana Hills is a world class facility and is Luke Donald’s first design project. The course is located at the foothills of the famed Ba Na Hills on Vietnam’s central coast, located 25 minutes from downtown Da Nang. The course was awarded “World’s Best New Golf Course” at the World Golf Awards 2016.

This stunning property is set amongst some of the most impressive mountain ranges in the region, complimenting the inaugural Luke Donald designed course. The par 72, 18-hole Championship golf course provides a balance of challenge, enjoyment and excitement to golfers of all levels and abilities with 5 sets of tees to ensure golfers of all standards are assured a pleasurable round of golf. Ranging from 7,857 yards from the Professional “Luke Donald” tees to 6,022 yards from the white, more friendlier tees, a good variety and mixture of playing lengths makes every hole feel unique.

The Course

The golf course features two distinct nines with a relationship of water to playing areas providing variety and balance. The front nine is somewhat more traditional forest/parkland in style, while the back nine winds its way through the twists and turns of the surrounding hillside. There are several unique course characteristics with the bunkering style impressively bold with grass rolled over the faces leaving the sand partly visible from the tees while the green complexes feature subtle undulations and encourage a variety of approach shots to create a unique and distinctive golf venue.

Following your round the well-equipped and iconic clubhouse design inspired by a traditional Vietnamese shaped coin offers a selection of well-equipped facilities including the Al Fresco restaurant overlooking the 18th green while a well-stocked golf shop has a full range of quality merchandise and logo items for your every golfing need or to commemorate your day at the club.

Ba Na Hills Golf Academy

The Ba Na Hills Golf Club PGA Academy offers state of the art technology including Trackman 4 the world's most advanced and newest premium radar featuring Dual Radar technology, all combined with a holistic teaching philosophy to ensure rapid improvement and importantly enjoyment and total comprehension of the game is attained by all levels of golfing experience from beginners to elite amateurs alike.

Mathew Pryke - PGA Professional

Originally from England, Mathew Pryke comes to Bana Hills Golf Club from working at two of China's most prestigious golf courses; Mission Hills Shenzhen and the 27 Club Tianjin. He brings with him a wealth of knowledge in golf coaching, academy business development and operations management.

Mathew's positive and enthusiastic approach towards coaching is clearly visible in his lesson delivery for all ages and abilities. A combination of his personality traits and clear lesson content has made him a popular choice of golf coach whilst in the UK and in China.

From the Professional – "My main goal as a golf coach here at Ba Na Hills Golf Academy is to get my students achieving results in the quickest time possible using the latest in technology. Results are measured in many different ways depending on the individual but it is important for me to find the best way for the student to learn and improve using a variety of methods. Growing golf within a country where the sport remains to be relatively new is another one of my big interests and offering people the opportunity to get into golf is a priority. I have the ability and resources around me to provide any kind of golfer the chance to either start the game or improve on their existing skills. Watching students reach their full potentials whilst enjoying the true meaning of the sport is extremely rewarding"
