Thai Set Lunch & Farming activities (Chiang Mai)

A unique Thai classical open air lunch looking out on verdant rice paddy fields, the lunch set is a delicious selection of classical Thai dishes. After lunch, take a tour and experience the local sustainable way of living, exploring rice fields and gardens which consist of seasonal fruit, flowers, vegetable, and plants. There are over 1,000 species of tropical plants and flowers to view. Experience the ancient Lanna way of life after lunch by planting a rice sprout or harvesting full grown rice during your stay
